Happy new year!

The executive committee of North Shore Cricket Club would like to wish you all a happy new year for 2009!!! On the cricket front, the club is well poised in the club championship at the half-way point. If North Shore can finish the season strongly, we will take the association's highest award for the first time.

In 2009 we will be resuming training on Tuesday 6th Jan and the first match will be on Saturday 11th Jan. In March the association will be at the business end of the season with the 1-day grand finals in early March and the 2-day grades on 28/29th March.

This year, the club WILL be having its presentation as close to the end of the season as logistically possible. Good luck to all the teams over the next 3 months and lets bring home as many trophies as possible over that time.

Training resumes

Training will resume every Tuesday and Thursday at North Sydney Boys High School from 5.30pm on 6 January 2009 onwards. All players are urged to attend and it is expected that every player attend 1 training session per week.

Individual Highlights Rd 7 (Rd 11 for OD Grades)

In A grade, Anthony 'Compo' Compton again proved he is one of the club's finest all-rounders. He ran out of overs before getting to a hundred but made 76* and took Billy Birmingham's (aka Ritchie Benaud the great man) favourite score of chew for chventy chew. Still, it rolls off the tongue better than siven for sixty sux.

The A reserve team smashed Old Ignations rolling them for 61 and passing easily 3 wickets down. The Bangalore express, Nitesh Arabolu did the damage with 4 wickets.

C grade easily defeated Northbridge, passing their score of 165 in just 22 overs. When C Grade figure out how to put the scores into MyCricket we can tell you who took the wickets and runs!

In C1Day grade the fortunes were turned around with a crushing victory over the Bats. Well done to the guys for hanging in there to get the win. The highlights included half centuries from the run-machine Kristian Anderson and also from Andy Skehan. Andy contributed with 3 wickets for stuff all runs and takes the MOTM award.

B grade and B1 day grade had a bye.
