## Latest news

Since our last newsletter we've completed round 1 and are mid-way through round 2. The first round saw mixed success for the club with 3 wins from 6 matches. In round two, all two-day grades are in strong position and will be looking to close off their matches this Saturday.

Worthy of special mention are the efforts of Austin 'Choofer' Harris, who has taken his second hat-trick for the club!!!!!!! Not only did he achieve this extraordinary feat for the second time, he did it in the 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> balls of the match! Well done Choofer!

## After match – Union Hotel

We've had some pretty good turn-outs at the pub after match. Being the end of a 2 day round this week we need to see all of you at the pub this Saturday evening. Tell your missus, "*cricket finishes at 7.30-8pm each Sat*". This week there will be a reading of the books and handing out the MOTM awards.

## Needed – A & B players

We still need a handful of A and B level players to complete our roster for the year (particularly in A-res and B grade). If you know or meet anyone who is capable and keen for a game at this level, please contact Lummas asap.
