

NORTH SHORE CRICKET CLUB

North Shore Cricket Club Newsletter Edition 4, Season 2008-2009 25 August 2008

Latest news

Despite some ordinary weather early in the weekend, the cricket gods shined upon us again providing some great weather for cricket on the Sunday afternoon.

With only 6 weeks until the first round of season 08-09, there is still much to do. The club is going on a massive recruitment drive to 'top-up' the club talent pool. The captains for the new season are yet to be appointed and we expect to do so in early September. At this stage the club is expecting to have 6 or 7 teams including one or two 1-day grades.

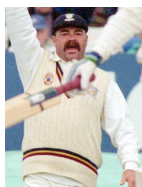

A pre-season launch is being planning for late September so watch this space for some announcements.

Pre-season Training

Pre-season training is on at **Artarmon Oval each Sunday from 1pm to 4pm.**

All returning players are expected to train in a club shirt. This can be your playing shirt, training shirt or social shirt from past seasons. New shirts are expected to be handed out to financial members at the pre-season launch. Be proud to wear the club emblem.

"Even if you can't be a cricketer, look like one!"

David Boon didn't become a finely tuned athlete by sitting around drinking beer all day!

Recruitment

The wealth of talent in the club is largely attributable to the recruitment efforts of Lummas over the years. There will be a number of recruitment initiatives going on this season and he needs many of you to help out. If you can spare a few hours on a Thursday night or any other day of the week after work, let him know!

Whilst we are always looking for cricketers capable of playing in any of our teams, there is a strong focus on securing people capable of representing the club in the senior turf grade (A Grade). If you have a friend, colleague or know of someone in this range looking for a game we encourage you to bring them along to pre-season training for a try-out.

Registrations & fees for season 08-09

At pre-season training, returning players will be able to register. The standard fees for season 08/09 are set as follows:

Returning members: \$245 (includes 1 x training/social shirt)

New members: \$305 (includes 1 x playing shirt, 1 x training/social shirt, 1 x club playing cap)

Full-time students with a current student card will get a \$50 discount on the applicable standard fee.

In addition, it is expected that all members sell and return a minimum of 1 x NSWCA raffle book this year. For every additional book you sell and return, a credit of \$20 will be applied to the cost of your

Help needed

The club is still looking for some helpers in the capacity of Social Secretary, Training & Selection Coordinator and Equipment Officer. The club also needs members willing to help in any other capacity such as running training sessions and storing training kits.
