Latest news:

Despite the North Shore's reputation for its beautiful weather and scenery, it felt like we were playing in the London park cricket league last round with 2 pm captains and the rain made us depressed in week 2. Despite the weather, we didn't have too much to whinge about in week 1 with a number of stellar performances from the Shoremen.

We are now in the home run to the finals and we're looking forward to some high quality cricket from North Shore in the next 3 rounds.

Round 10 review

All the two day games were washed out in week 2 however the C1-day grade completed a match in week 1 with a win. A clean sweep?

In A grade, the bowlers made the batsmen look ordinary with the tailenders allowing the captain to declare against Kirribilli at 9/248. A-reserve fought hard to be all-out for 160.

In B-res the batting was dominant with a 115 run partnership between Paul Thomson and Kurt Mickan. The side made 9/263 dec. B2 managed to be all out after scraping together 196 against the Pigs at Georges Heights whilst C1 Day grade bowled their way to victory after scoring a dismal 126 off 30 overs.

Up and coming events

Our annual **presentation night** is likely to be around late April early May. As in past years, the presentation night is clubs biggest and best function of the season. Watch this space for more details as they are confirmed.

Training

Training has now resumed. Special mention needs to go to Julian Poulter and a number of the A grade players who have been highly visible at training, showing why they are the club's top players. Others wishing to push their case for promotion or to simply improve their performance should take a leaf out of their book.

When: Tuesday & Thursday 6pm – 8pm

Where: Artarmon Oval, Burra Road
