****MAJOR NEWS: AUSTIN HARRIS TAKES HAT-TRICK****

Again the rain hampered round 11. From the matches played there were mixed results including a complete slaughtering of the Wanderers by our B grade team. A Ryan Friesen *'tip of the hat'* goes to Austin 'Choofer' Harris taking 7 wickets for 4 runs including a hat-trick and contributed to dismissing the opposition for 16.

With the finals approaching it is an exciting time in the club with most sides still in position to compete in the finals.

Round 11 review

A Grade had a bowl in week 1, allowing their opposition to declare at 5/255. Again, Michael 'Clarke' Irrgang showed you don't to take wickets byt getting 3-61 and getting one hand on the bowling award. Compo took 2-32 which included the top order.

A-reserve made 8/164 against the Roys but the match was abandoned week2. B Grade made a meagre 100 odd runs before Choofer stole the show. An outstanding performance!!!

B2 made a respectable 9/315 delared against the Gnomes but were beaten in week 2 in a disappointing match where the opposition made 7/349. A captains knock gave Terry Mckinnon 86 and JP Montandon took two early wicks to snare 2/30.

The C1 day side continued their winning form by smashing the Lindfield PGLG. Will McArthur made 77 and David Jenkins 49 with Michael Bromley ringing in 3/8.

Wet weather policy

There have been a number of instances of complete lunacy in relation to the continuing wet weather and attendance at matches. **It is imperative that all players turn up to the ground on-time regardless of the weather** unless others told to do so by their captian. The club's wet weather policy is on the website if you need details.

Training

There are approximately 6 weeks of training left. All players are expected to attend at least 1 session per week so get down there for some practice between now and the finals!

When: Tuesday & Thursday 6pm – 8pm

Where: Artarmon Oval, Burra Road
